Dear H-B Comic News:

Top Cat is back! Thank you very much! Seeing ol' TC again was pure joy but why not an all Top Cat issue? I also would like to see some characters like Mighty, the Herculoids, the Impossibles and Frankenstein Jr. in Hanna-Barbera Presents!

Need I remind you that Jostie and the Pussycoats could qualify for a Presents too? Give that one some thought, OK? Later.

Jacob Gilbert, Troy, NY

(Jacob, this is your lucky day. We are currently planning a full Top Cat issue for H-B Presents as well as the Herculoids and Frankenstein Jr. and the Impossibles for that same book. And indeed we are talking about a Scooby-Doo and Josie and the Pussycoats special issue for Scooby. And stay tuned ... there's much more to come! Thanks for the kind words.)

Dear H-B Comic News:

The Hanna-Barbera books are dependable for classic entertainment with a modern twist. Usually with the artwork. The books are always good for nostalgia and that's what I came down with a case of while reading Presents #4, featuring Top Cat. I only wish you had given the cat a whole issue of H-B Presents.

Joey Marchesa, Clark, NJ

(Dear Joey, See the answer above. By the way, these were only two of a huge bag of letters asking about a Top Cat book. Thanks to all of you.)

Dear New Friend,

I have loved Scooby-Doo for as long as I can remember and I was really happy to see him in comic books and hopefully a lot more. I would love to have a poster of him. Do you also have t-shirts and other neat stuff?

Rita Groundwater, Moncton, NB, Canada

Dear H-B Comic News:

Can you send me a catalog from the Hanna-Barbera store in Orlando, FL at Universal City? Do you have a fan club for Hanna-Barbera?

Matthew Handler, White Plains, NY

(Matthew, Rita, and the rest of you who asked about such things -- we do not have access to any of these things. We would suggest trying your local comic book store or writing Hanna-Barbera Studios at 4500 Cahuenga Blvd., Hollywood, CA 90068.)

Dear H-B News:

I've been a longtime comic book collector and a fan of Hanna-Barbera toons since I was a kid. No kidding, your stories are far better, more interesting and more entertaining than any of your predecessors. I want to congratulate you for being a leader and an innovator in the publishing of these characters in a comic book. Your stories in terms of plot and drawing quality are OUTRAGEOUS! Perhaps you can improve a little on the plot of Scooby-Doo and see storylines in the Flintstones that include characters like the Great Gazoo, Hoppy and Kangaroo and Dino, the Gruesomes and Pebbles and Bamm-Bamm.

Keep up the excellent work and please consider expanding the line to include other characters.

Gilberto Lopez, Guaynabo, PR

(Thanks, Gilberto, you've made us blush. We are indeed looking into the plots for Scooby which will be now include stories by such as Mark Evanier. And we think all of you will be continually thrilled and surprised at some of the characters soon to be featured in The Flintstones as well as Scooby and Hanna-Barbera Presents. We hope and believe it'll be a treat for you all.)

LETTER OF THE MONTH!

We usually don't do this but a letter arrived

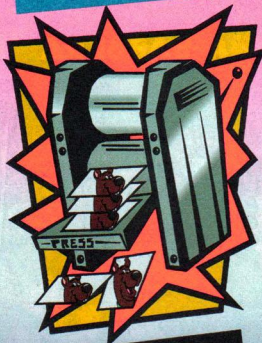

in our mail box this month that so delighted us, we decided to share it with you:

Dear Hanna-Barbera,

I wanted you to know how much I enjoyed H-B Presents #3: Yogi Bear. You people really outdid yourselves. It will be hard to top that one. "The Bear Truth" offered a hysterical new perspective on some of the old gags. I'd put the story "Basket Case" in the same category as one of the great Warner Bros. cartoons "Birds Anonymous." I'm impressed with the whole series. I noticed you've placed a lot of emphasis on the writing. This is the way it should be. All the pretty pictures in the world can't save a story if it's poorly written. Your writers have managed to capture the flavor of the old cartoons and, at the same time, added enough '90s irreverence to make them current. This makes for some very funny stories. Keep up the good work!

Sincerely, John Gutekunst, Parker, AZ

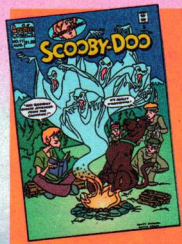

STOP THE PRESSES!

LOOK WHAT'S COMING UP!

And future issues of Scooby-Doo™ will feature a teamup with that caped crime fighter Blue Falcon! It's all coming up in future issues! Stay tuned for more details!

SCOOBY AND THE GANG GO TO CAMP!

Zoinks! Like, make sure your folks don't send you to this camp!

Take it from Shaggy™! This is the scariest summer camp he has ever been to! In Scooby-Doo™ #11, the gang are camp counselors at a scary summer camp which has ghosts in the campfires, supernatural beings and the meanest bunch of campers you've ever seen! It's going to take a box-full of Scooby snacks™ to get Scooby and Shaggy to return to this camp! It's all featured in this scary -- and laugh-loaded -- story!
